👍 Is the iPhone 6 worth it?
Dialog box that opens after pressing "+," allowing for a new question to be asked

IS THE IPHONE 6 WORTH IT?

Dunno man... I'm more of an Android guy....

Myself, I totally love Apple! It's just so awesome!

Unless you like your phones bent, I'd say no.

Or unless you like your beard stuck in a phone...

OMG! That happened to you!
